City and Country

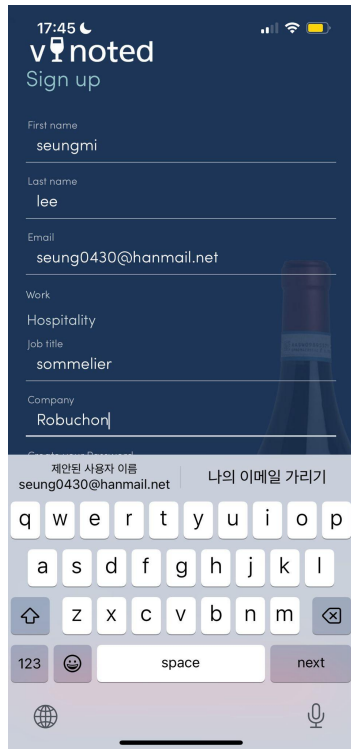

The screenshot shows a mobile application interface with a dark blue background. At the top, there is a status bar with the time 17:38, signal strength, and battery level at 67%. Below the status bar is a header with a back arrow and the text 'v noted'. The main content area contains a list of wine types with checkboxes: Red Wine, Rose Wine, Sparkling Wine, Sweet, and Other - Other. Below this list are three dropdown menus labeled 'City', 'Country', and 'Supplier Name', each with a placeholder text 'Select [City/Country/Supplier]'. At the bottom of the form is a red rounded rectangle with the text 'Search'. The bottom of the screen shows a white navigation bar with three icons: a hamburger menu, a home icon, and a back arrow.
